

BioTechUSA™

THE FEELING OF SUCCESS

VEGAN PROTEIN - 500 g

EAA ZERO amino acid drink powder - 350 g

PEANUT BUTTER - 400 g

With Vegan Protein plant-based protein powder you can contribute to your daily protein intake. After your trainings it supports muscle building, too. Drink 1 serving of EAA Zero drink powder before or during your trainings, which contains all essential amino acids in a ration recommended by WHO. With vegan Peanut Butter you can contribute to quality fat intake and get delicious flavours at the same time.
